**22 Can my reservation be canceled with no or short notice at any time?**

**Yes**, but it is highly unlikely that it will happen. First Presbyterian Church has a relationship with the American Red Cross to use the Presbyterian Friendship Center for emergency housing and emergency food distribution. Your use of the building may be cancelled by First Presbyterian Church without notice in the event that the American Red Cross calls on the use of the Presbyterian Friendship Center.

**23 Can we use equipment from the kitchen if we don't rent the kitchen?**

**NO.** Equipment from the kitchen is included with kitchen rental. There is a possibility that the kitchen may be rented by a different entity and their rental includes access to all equipment and supplies. In some cases, however, accommodations can be made to allow a group to use a portion of the kitchen even though it is reserved at the time. Access by a second party will be strictly upon approval from the entity with the prior rental. Such a "dual" rental will be evaluated on a case-by-case basis and will be subject to a pro-rated rental fee.

**24 Can we hire someone from the church to do setup and cleanup for our event? Possibly.**

Depending upon his/her schedule our custodian may be available for hire. Arrangements for that service must be made directly with the custodian. Prices charged are up to him/her and must be paid directly to that person as agreed upon. Our prices do NOT include any set-up, tear-down or janitorial services.

\*Deposit refund checks are issued on or around the tenth and twenty-fifth of each month. We try to meet the date falling closest to the completion of your event/use. For events happening close to the payment date(s) the deposit may not be refunded until the next cycle.
